Teri S. at 317-697-7163 or teri@printingpartners.net

DIRECTIONS TO NORTHEAST PARK

Take Meridian Street to Crestview Drive which is approximately ½ mile south of County Line Road and go east on Crestview Drive.

Take Crestview Drive east and you will then turn right or be headed south towards the park after Brunswick Drive. This will take you around to the end of Crestview and to the Park which will be on your right hand side next to the Elementary School.

Mapquest directions will take you thru the neighborhood although going to the park from Meridian Street is much more simple.
