

# Isn't your gift of sobriety priceless?

The next time the basket is passed, remember what our program has meant to you. Your \$2.00 AA meeting contribution makes a critical difference in helping to carry the message.

The increase in your basic donation helps cover the cost of many important expenses that affect your and others' sobriety. Some of them include:

- rent, books, etc., at your local meetings.
- resources that make thousands of 12-Step Calls possible.
- sponsorship of area, state and regional events.
- contact with thousands through the Internet.
- contact with those in treatment facilities and correctional institutions.
- contact with alcohol treatment professionals and the public at large.
- maintaining our Bookstore and resource center.

So, a buck or two—it's up to you. But isn't your gift of sobriety priceless?

Remember, whatever you give... Keep coming back!
